PUBLIC NOTICE

Within the framework of the implementation of the policy of supervision by the High Commission of the Cameroonian economic diaspora living in Canada, the Cameroonian community is hereby informed that a **Bank of projects** has been opened within the Diplomatic Mission.

The objective of this initiative is not to grant financing, but to take cognizance of the various projects intended for the development of Cameroon, conceived by the economic operators and project bearers of our Diaspora, with the aim of providing guidance and directing them towards the appropriate Cameroonian institutional channels.

The different projects to be sent to the High Commission at the following e-mail address **office@hc-cameroon.ca** must, for a better readability, be configured according to the following matrix:

1. Project initiator
2. Area of activity
3. Purpose of the project
4. Period of implementation
5. Location(s) of the project
6. Possible Canadian and/or Cameroonian partners
7. Observations and suggestions.

The Diplomatic Post welcomes the dynamism of the Cameroonian Diaspora living in Canada and renews its availability to work with them in the realization of their development projects, with a view to achieving the economic emergence of Cameroon.
