COMMUNIQUE

RESUMPTION AS OF MONDAY, JUNE 22, 2020 OF THE ISSUANCE OF VISAS AND LAISSEZ-PASSER BY THE HIGH COMMISSION OF CAMEROON IN CANADA

The High Commission of Cameroon in Canada has the honour to inform the Cameroonian community and the general public as follows:

1. The resumption as of Monday, 22 June 2020 of the issuance of visas and laissez-passer by the High Commission. Users are invited to submit, in addition to the documents usually required, the results of a negative covid-19 test no more than three days old;

2. Visas and laissez-passer are free of charge for those who already held them but were unable to travel to Cameroon because of the closure of borders. Please resubmit the file (including a negative covid-19 test), without the usual fees;

3. Applications for consular services must be submitted by postal means only. The High Commission is gradually resuming normal operations but remains closed to the public. Files sent by postal means should contain a trackable return envelope. Users should factor extended postal delays owing to the current health situation;

4. The renewal of passports remains temporarily suspended. The date of resumption of this service will be communicated at a later date.

The High Commission invites the public to visit its website (https://www.hc-cameroon-ottawa.org) on a regular basis and remains available for consular enquiries at the following e-mail address: consul.serv.hcam@rogers.com.
