COMMUNIQUE

REOPENING OF THE HIGH-COMMISSION OF CAMEROON IN CANADA

It is brought to the attention of the Cameroonian community and the general public that following a temporary closure in strict compliance with the requirements of Public Health Canada, the activities of the High Commission of Cameroon in Canada officially resumed **on Monday, October 26, 2020 at 9:00 am.**

In view of the current health situation marked by the recrudescence of cases of contamination linked to the coronavirus (Covid-19), **the High Commission remains closed to the public.** Consequently, users are reminded that the various requests for consular services (visas, laissez-passer, legalizations, etc...), with the exception of passport renewal requests, are only received by postal means with a return envelope.

Users whose passport renewal appointments had to be cancelled due to the temporary closure of the Diplomatic Mission will be progressively contacted in order to reschedule their passage.

The High Commission counts on the public's understanding and remains available for any consular questions at the following e-mail address: **consul.serv.hcam@rogers.com** .
